Testimonial

TO WHOMSOEVER IT MAY CONCERN,

This is to certify that Mr. Charles Omondi has been serving as an ICT Officer Intern at St. Joseph's Technical Training Institute for the Deaf, Nyang'oma. During his tenure, Charles demonstrated outstanding technical competence, professionalism, and integrity in all his duties.

He has been directly involved in managing Optimum Systems ERP (both local ERP and online portal), where he played a critical role in digitizing and supporting the admissions process, user account management, and troubleshooting system issues. His ability to resolve ERP and ICT-related challenges has contributed greatly to the efficiency of institutional operations.

Charles also displayed strong skills in LAN/WAN maintenance, computer hardware and software support, as well as implementing cybersecurity measures including data protection, firewalls, and antivirus systems. His proactive approach and attention to detail ensured smooth ICT services to staff and students.

Beyond his technical expertise, Charles has been appointed as a Committee Member of the Values and Principles Evaluation Committee, reflecting his commitment to ethical practices, accountability, and governance. His contribution in this role demonstrates his strong moral character and leadership qualities.

We confidently recommend Charles for any ICT-related role, especially in positions requiring ERP management, ICT support, and cybersecurity. He will be an invaluable asset to any organization he serves.
